Lead Pencils

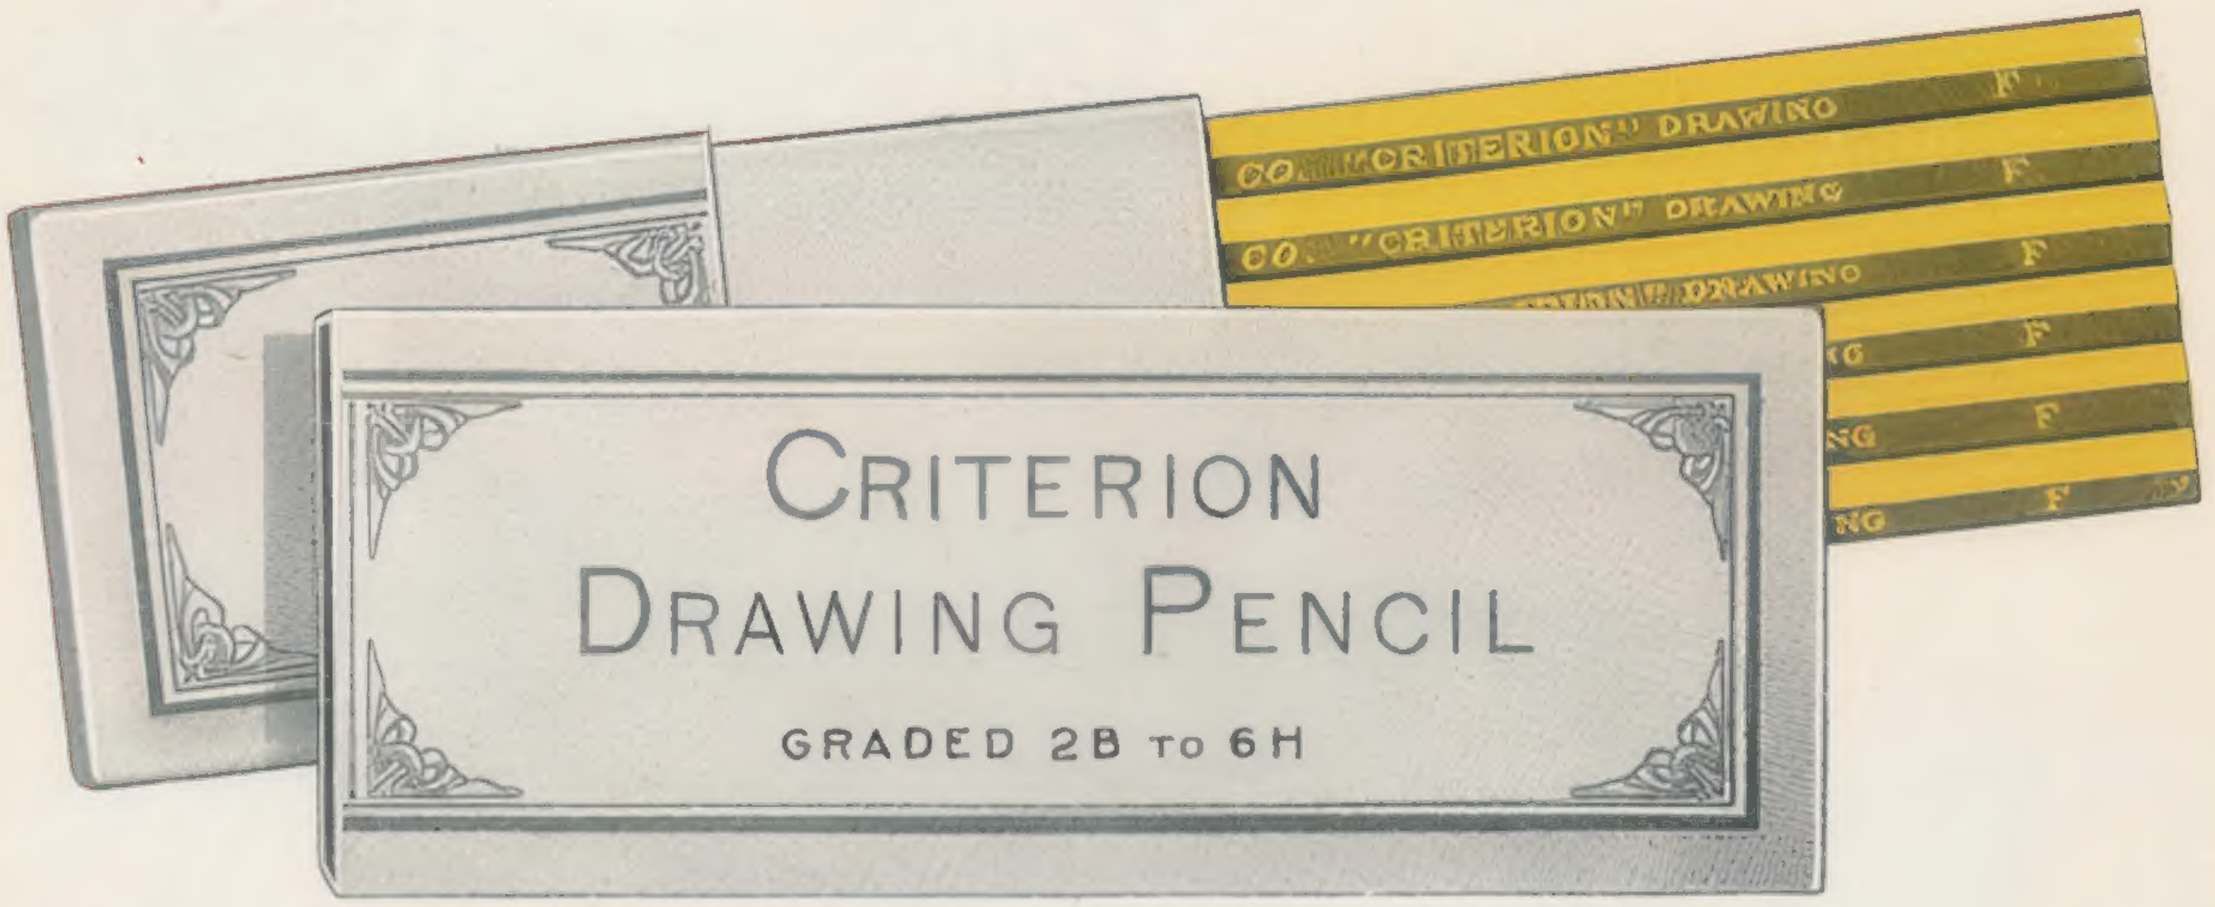
Criterion Drawing Pencils



No. 3285

Criterion Drawing Pencils are of a particularly high grade, being made of the purest graphite in a highly compressed form, free from grit, and will hold their point sharp for a remarkably long time.

Each grade of lead is uniform through its full length, and therefore unusually smooth working. An extremely satisfying and popular pencil. Gold stamped.

No. **3285. Criterion Drawing Pencils,** hexagon, yellow polish, in following degrees: 2B, B, HB, F, H, 2H, 3H, 4H, 5H, 6H,
